

## Calling Fire Down from Heaven

**Re 13:13** And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,

**Re 20:9** And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them.

In the reports and statements on this site we see the constant alliance of Israel and the US wanting to have a military presence in Space to fight such things as Terrorism. China is now being held up as the leading contender to challenge this action of America and Zionist Israel and its goals of dominating the world by space wars and weapons, or calling fire down from heaven! India has already done so with the full support and help from the America Federal Government.

What astonishes me about all this is . . . . how long has this been going on!! Look at the dates of all this and realize that many of these major nations have been trying to get out into space to put up weapons for several years!

I am now questioning what I have been saying about the three frogs setting up the final Battle of Armageddon. I have said these three frogs are Fake Christianity, the Zionists and the Arabs and that the tensions in the Mid-East will bring about the Battle of Armageddon. But with all this new evidence coming to the surface, could it be Israel, America and China.

Is the war against Terrorism, and the killing off of suspected Terrorists in the mid-East just a major smoke screen to cover up what is really happening, not on the earth, but in the race to call fire down from the heavens?

**Lu 21:26** Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.
